The Liberal Democrats say they would scrap the replacement for Trident, Britain's sea-based nuclear defence system, and buy a cheaper nuclear weapons system. The other parties say this would amount to unilateral nuclear disarmament and endanger Britain's security. What is your view?

The Liberal Democrats should go further and say they would get rid of all British nuclear weapons
 The Liberal Democrat policy is about right because international circumstances have changed
 The Liberal Democrat policy goes too far, and would endanger Britain's security
